At the Polytechnic, we take great pride in providing our students with an education that prepares them for a future of dynamic change, continued growth and success. We enhance our students' learning with a curriculum that is relevant to industry needs and enrich their experience with us through a variety of co-curricular activities, internship programmes and community projects.

We look forward to your continuous support in helping us to groom your students for an exciting future ahead.

Yours sincerely,

Daniel Yeow
Senior Director & Registrar
