ECG Engagement with Sec 2 Students

1. SLS self-paced learning
2. CCE lessons
3. ECG Counselling
4. In-conversation with Sec 3 subject teachers

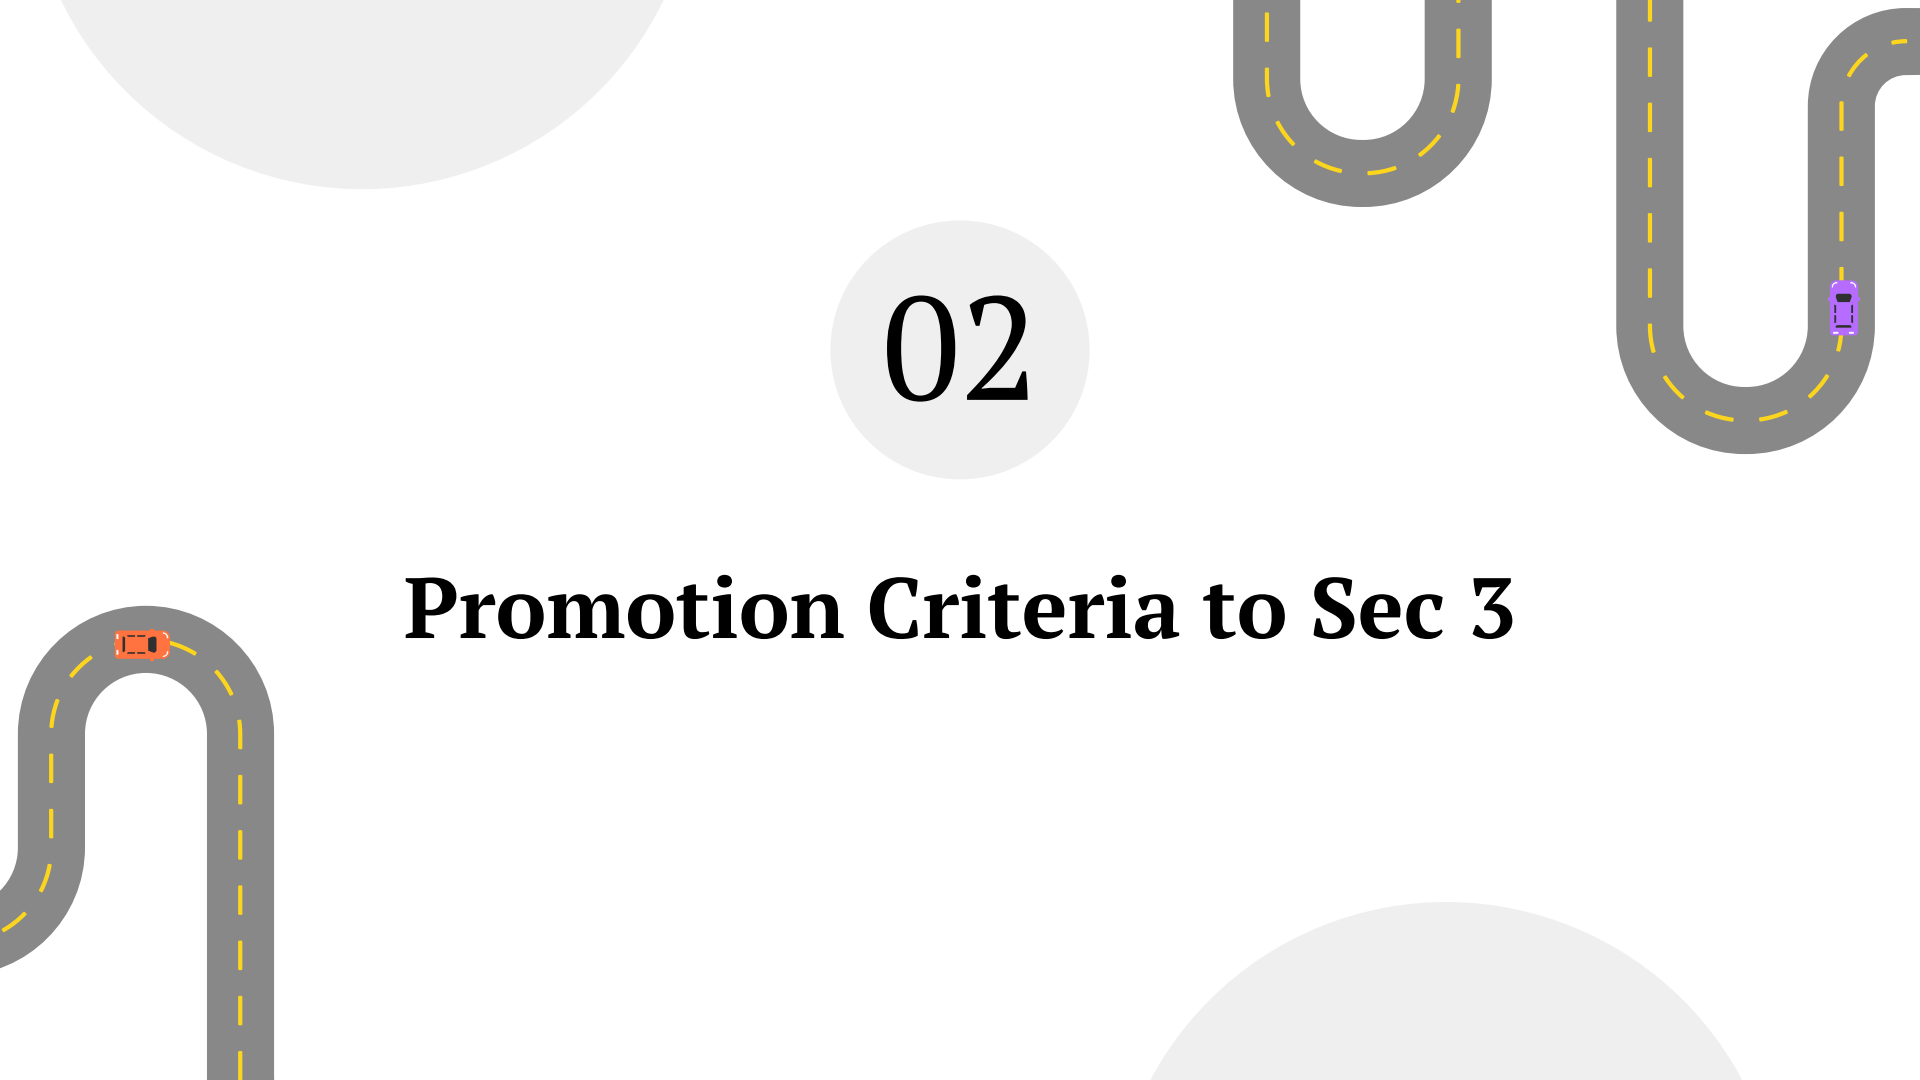

The screenshot displays a web application interface for a lesson titled "Looking Beyond Secondary Two Streaming (NA) - PART 2". The interface is in "Lesson View mode". On the left, a navigation menu lists five items: "Introduction", "Sec 3 Subject Combinations 2023", "Polytechnic Admissions (from 2024 onwards)", "Subject In-Conversation Sessions", and "How can I help myself further?". The fourth item is currently selected. The main content area is titled "4. How can I help myself further?" and contains a prompt: "Pen down your thoughts and check later for a response by your teachers." Below this is an "Interactive Thinking Tool" section with three tabs: "My Thoughts" (active), "My Questions", and "View All". The "My Thoughts" tab shows a text input field with the question "What's going on in your mind after reading the information?". Below the input field is a section for "Individual Student's Answer" with a pre-populated answer "Pre-populated Answer here...". At the bottom, there is an information box stating "Students' submissions will be displayed on the Interaction Board."

Options offered for 3NT will prepare your child sufficiently for all ITE courses

Do take note...

- Students who are keen to pursue EBS would need to obtain overall pass in English at end of Secondary Two.
- Students with MT exemption would need to offer Option A in order to take 5 examinable subjects

DO TAKE NOTE...

The school reserves the right to decide on the final list of subject combinations to offer after this briefing.

If the number of students choosing a course is very small, there is the likelihood that it may not be offered due to the learning experience of the students being more limited, and also teacher deployment constraints.

No changes should be made to these final choices unless a significant learning need is identified.

'O' LEVEL MUSIC (COURSEWORK)

- Offered to all Sec 2 students from all courses
- Students who have musical performance background from Music CCAs or other music programmes (school or external) may apply.
